LEARN COSMETIC ACUPUNCTURE TO ADD VALUE TO YOUR CLINIC

Facial Rejuvenation Acupuncture & Chinese Cosmetology is fast becoming a popular treatment for those who want to look better and fight the signs of ageing naturally.

This specialist diploma course will teach you how to use acupuncture and Chinese Herbal medicine to treat the skin and ageing both locally and internally. Eventually we expect this course to be a professional qualification required for the practice of this specialist technique.

In the interests of professionalism, this course is only open to those who are qualified in Acupuncture, and assumes existing knowledge of anatomy and physiology.
